## 01 PROFILE

I am a highly motivated and dedicated software developer with a deep passion for coding and a broad range of programming language skills. With expertise in Python, HTML5, CSS, Java, JavaScript, C++, and C#, I have consistently delivered efficient and innovative software solutions. My proficiency in Python allows me to develop versatile applications, while HTML5, CSS, and JavaScript enable me to create visually appealing and interactive user websites. Additionally, my knowledge of Java, C++, and C# empowers me to build scalable and high-quality software in various domains, including enterprise applications and game development.

In addition to my technical prowess, I possess strong analytical and problem-solving abilities. I am well-versed in agile methodologies and thrive in collaborative environments, effectively communicating with cross-functional teams and stakeholders to ensure project success.

As a lifelong learner, I stay up-to-date with emerging technologies, constantly seeking opportunities to drive innovation and make a positive impact on end-users.

## 02 EDUCATION

Sep 2015 — Jul 2019

Swinton

### St. Ambrose High-School

Maths - Grade 4

Sep 2015 — Jul 2019

Swinton

### St. Ambrose High-Shcool

English - Grade 5

Sep 2020 — Jun 2022

Bolton

### Bolton College

BTEC - Distinction\*Distinction\*Distinction

Within Bolton College, I studied computing and IT. Within this duration I acquired skills such as communication, leadership, and having a key eye for detail. I enjoyed many tasks such as building websites due to the way it enhanced my knowledge of programming languages, whilst allowing me to build these skillets overtime.

## 03 SKILLS

Ability to Work Under Pressure

Computer Skills
